AMPHIBIA SAFETY TAPE

Revision n. 0.0

Revision date 07/08/2018

Printed on 07/08/2018

Page nr. 1 / 3

SECTION 1. Identification of the substance/preparation and of the company/undertaking

1.1 Product identifier

Name AMPHIBIA SAFETY TAPE

1.2. Identified relevant uses of the substance or mixture and non-recommended uses

Description/Use Mono-adhesive tape based on modified acrylic dispersion, paper liner

1.3. Supplier information of the safety data sheet

Company Name VOLTECO Spa
Address Via delle Industrie, 47
District and Country 31050 Ponzano Veneto (TV) - IT
Telephone +39 0422 9663
Fax +39 0422 966401
e-mail address of the person in charge of the safety data sheet volteco@volteco.it

1.4. Emergency telephone number

For urgent enquiries, please contact +39 0422 9663

SECTION 2. Hazards identification

2.1 Classification of the substance or mixture

The product is not classified as hazardous.

2.2 Label elements

No labeling required.

SECTION 3. Composition/information on ingredients

3.1 Substance/Mixture

Mixture Adhesive tape based on acrylic/acid/ester copolymer.

3.2 Remarks

Hazardous components None

SECTION 4. First aid measures

4.1 Description of the first aid measures

Contact with skin Wash with soap and water for precaution. If skin irritation persists, seek medical attention.
Contact with eyes Wash with plenty of water. If eyes irritation persists, seek medical attention.
Swallowing Drink 1-2 glasses of water.
Inhalation None in particular.

SECTION 5. Fire-fighting measures

5.1 Extinguishing agents

Adequate fire-fighting agents: spray jets of water, fire-prevention powder, CO₂, foam.

Suitable extinguishing agents Water, CO₂, foam, dry extinguishing powder.

5.2 Special hazards arising from the substance or mixture

No information.

5.3 Recommendations for those in charge of putting out fires

None.

SECTION 6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Avoid contact with body.

6.2 Environmental precautions

Do not discharge undiluted or in large quantities into groundwater, water or sewage systems.

AMPHIBIA SAFETY TAPE

Revision n. 0.0

Revision date 07/08/2018

Printed on 07/08/2018

Page nr. 2 / 3

6.3 Methods and materials for containment and cleaning up

Collect mechanically or store in suitable containers for disposal.

SECTION 7. Handling and storage

7.1 Precautions for safe handling

None in particular.

Protection against fire: None in particular.

7.2 Conditions for safe storage, including any incompatibility

Requirements for storerooms and containers: Air temperature: 21 °C, relative humidity: 50%

SECTION 8. Exposure control/personal protection

8.1 Control parameters

Exposure limits have not been assigned to this substance.

8.3 Personal protective equipment

Occupational exposure controls

Hand protection Use protective gloves to avoid contact with skin.

Eye protection Airtight protective goggles.

SECTION 9. Physical and chemical properties

9.1 Information on the basic physical and chemical properties

Description	Values
Physical state	Sealant tape
Odour	Characteristic
Colour	White
pH	-
Density	-

SECTION 10. Stability and reactivity

10.2 Chemical stability

Stable under normal conditions.

10.3 Possibility of hazardous reactions

There are no known hazardous reactions.

10.6 Hazardous decomposition products

No data available.

SECTION 11. Toxicological information

11.1 Information on toxicological effects

Information not available.

SECTION 12. Ecological information

12.1 Toxicity

Slightly biodegradable.

12.6 Other adverse effects

General informations: No dangerous for water.

SECTION 13. Disposal considerations

13.1 Waste processing methods

Dispose of waste according to applicable legislation.

SECTION 14. Transport information

14.2 Shipping name

No dangerous under international transport law.

SECTION 15. Regulatory information

15.1 Labelling according to EU Regulation 1272/2008

Product not subject to labelling rules.

15.2 Chemical Safety Assessment

No chemical safety assessment has been conducted.

SECTION 16. Other information

Note for the user

The information contained in this data sheet is based on the knowledge available to us at the date of the last version.

The user must verify the suitability and completeness of the information according to each specific use of the product.

This document must not be considered a guarantee of any specific property of the product.

Since product use is not subject to our direct control, the user is obliged, under his own responsibility, to comply with the health and safety regulations and laws in force. We accept no responsibility for improper use.

We accept no responsibility for improper use.

Provide adequate training to people in charge of using chemical products.
