

## CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

Certificate number **1370-CPR-1299**

In accordance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (Construction Products Regulation - CPR), this certificate applies to the construction product:

|                        |                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>PRODUCTS</b>        | <b>PRODUCTS AND SYSTEMS FOR THE PROTECTION AND REPAIR OF CONCRETE</b>                                                                         |
| <b>CHARACTERISTICS</b> | <b>Reference Standards</b>                                                                                                                    |
| See Annex A            | EN 1504-2:2004 – Products and systems for the protection and repair of concrete structures<br>Part 2: Surface protection systems for concrete |
| See Annex A            | EN 1504-3:2005 – Products and systems for the protection and repair of concrete structures<br>Part 3: Structural and non-structural repair    |
| See Annex A            | EN 1504-6:2006 – Products and systems for the protection and repair of concrete structures<br>Part 6: Anchoring of reinforcing steel bar      |
| See Annex A            | EN 1504-7:2006 – Products and systems for the protection and repair of concrete structures<br>Part 7: Reinforcement corrosion protection      |

placed on the market under the name or trade mark of:

|                     |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| <b>MANUFACTURER</b> | <b>VOLTECO S.p.A.</b><br><b>HEAD OFFICE:</b><br>Via delle Industrie, 47 – 31050 PONZANO VENETO (TV) – ITALY |
|---------------------|-------------------------------------------------------------------------------------------------------------|

and produced in the manufacturing plant:

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| <b>MANUFACTURING PLANT</b> | Via delle Industrie, 47<br>31050 PONZANO VENETO (TV) – ITALY |
|----------------------------|--------------------------------------------------------------|

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard above under system AVCP 2+ are applied and that **the factory production control is assessed to be in conformity with the applicable requirements.**

This certificate was first issued on **04-04-2017** and will remain valid as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
